Proclamation Honoring Katherine French – this was moved to beginning of meeting for convenience of family members. The proclamation announced the passing of Katherine “Kathy” Ellen French on Thursday, January 1, 2026, and proclaimed Wednesday, January 21, 2026, as a day of remembrance for her. A commemorative copy of the proclamation will be gifted to the family. Council members took a photo with the family.

Approval of minutes for December 16, 2025, meeting: Motion to approve made by Maxwell, seconded by Beene, all in favor, motion passed.

Approval of Financial Statement for December: Motion to approve made by Zweifel, seconded by Craig, all in favor, motion passed.

Reports of City Departments:

(A) Fire Department: Chief Jimmy Hoofman presented. Finished last year with 1100 runs, 75 runs so far this year. One new permit; finished last year with just over 130. Fire Department will be hosting a community CPR class on Thursday, January 29, at 6PM, at the Station on Bise. Cost is \$6 for the card.

(B) Planning Commission: No meeting in January.

(C) Police Department: Chief Brad McNew presented. Presented a stack of documents to the council including reviews of employee accidents (still low), use of force throughout the year (roughly once per 30 days, consistent with last year), pursuit (large increase from 2024 to 2025, but 2024 was lower than average), and bias based policing (no complaints and numbers match population ratios). Position has been offered to Sean Hill, but he still needs to put in notice with his current department. Requested approval to order a vehicle for \$46,898, with at least a three month lead time; this vehicle is in the budget. Beene – how many officers employed now? McNew – 9 right now, he’ll be the 10th. Beene – How many vehicles? McNew – 11; one still in shop. Always operated 10 officers and 11 vehicles.

(D) Sewer Department: Council Person Maxwell presented. Nothing to report.

(E) Street Department: Mayor presented. Been helping Parks & Recreation Department where possible. The Street Department will be trading in a circa 1998 trailer for a 2026

tilt bed trailer. Trade in is \$1,800 so we'll be out \$26,200, through Sourcewell, the state bidding process. Also through Sourcewell, we're upsizing the smallest tractor, with \$10,000 trade in, with one about 20 horsepower bigger, costing us about \$23,000 and will include a tiller. Motion to approve purchase of tilt bed trailer out of street fund made by Craig, seconded by Zweifel, all in favor, motion passed. Motion to approve trade in and purchase of tractor out of street fund made by Craig, seconded by Zweifel, all in favor, motion passed.

(F) Parks & Rec: New Director Chase Imhoff presented. Spring Registration (Baseball, Softball, Blastball) kicked off January 6th, running through February 6th, or possibly 20th for late registrations. Imhoff mentioned his 8 years at Athletic Field Services of Arkansas to emphasize his knowledge of fields. Mayor stated the positions currently filled by Corey, Trisha, and Vanessa all report directly to the Parks Director. City has ordered 80 tons of "Diamond Mix," for \$9,304.41, for the fields (estimated to resurface two fields). Playgrounds have new mulch. Registration is going well. Imhoff introduced a change this year allowing established teams in our league to keep their roster moving forward. Banner lease renewal letters have been sent out. New prices are \$250, not \$225.

Public Comment:

(A) Chad Brown is running for circuit judge. He spoke of his intent to run for the position of Circuit Judge HG Foster, who will not be running for reelection. The position has an election on March 3, 2026. He stated his qualifications: attorney for 15 years, specifically criminal cases protecting children; veteran, served with 49th Engineering Battalion at Conway, who deployed in Iraq in 2003; family, he has a wife and two children, who attend UCA and Clinton High School.

Announcements:

- (A) No January meeting for the Planning Commission.**
- (B) City Offices Closed Monday, February 16, 2026, for Presidents Day.**
- (C) Mayor reminded Council that pay rate changes for the 2026 budget went into effect on 12/21/2025, as that was the first day of the first pay period of 2026.**
- (D) Mayor announced a letter from the state aid committee.** The letter announced the committee met on December 10th and approved funding for 53 of 167 overlay projects, but Viloria's was not selected. It also stated the rules adopted by the committee no longer require the resubmission of the request, so the request will remain active. The main project we have is South Mount Olive. Mayor also mentioned the funding for the street sidewalk lighting at the high school; they are waiting on Entergy. We have also been awarded \$400,000 for a sidewalk extension down towards Fox Run.
- (E) Viloria Community Development Corporation (VCDC) – none.**
- (F) Viloria Area Chamber of Commerce (VACC) –** President Jackie Fowlkes presented. The Chamber Banquet will be Saturday, February 21, 2026, at 6PM, at the Eagles Nook Event & Retreat Center. Guest speaker will be Jason Curry, author of Finish Empty. Tickets are \$50 each, and several sponsorships and tables are also available. The website has been updated, so you can go online to viloniachamber.org to order tickets. Catering by Uncle Tim's.

Old Business:

(A) 2025-PDO-04 Care Facilities Ordinance – authored by Council Member Craig. Motion to read by title only made by Matos, seconded by Zweifel, all in favor, motion passed. Ordinance read by title only. This is the first reading of the ordinance. Motion to waive second and third readings made by Matos, seconded by Zweifel, discussion called by Craig. Craig emphasized the ordinance was only finalized a few days ago and included an emergency clause. Matos retracted his motion. Much discussion held. Beene – are the ones we currently have, are any of them cooperating with emergency personnel? Hoofman/Mayor – no. Beene – how do we handle that? Matos – May have to be the courts that settle this. Mayor requested Hoofman reach out to the facilities to ask for information for safety purposes. Matos – have you requested? Hoofman – I've knocked on the door. They're not going to let us in. Mayor – send a certified letter, showing we tried. Matos – if the state would change some rules, we wouldn't have this problem.

(B) Update on Senior Center by Mayor – Faulkner County Council on Aging has not returned; the original January 15 date has been pushed back to maybe March. Mayor met with PFG food group on Friday to secure reasonable food supply. FCCA has a new director from New York who should be in here and on the grounds in March. Mayor met with Stanley Gordon from the board; Gordon is on our side and also frustrated. Mayor suggested council send emails to the FCCA board. The program is currently operating through volunteers, churches, and donations. Beene added there had been many donors of meals, sharing a list thanking donors (8 Mile Store, Beryl Baptist Church, Boddie King and Tina Hankins, El Rancho, First Baptist Church, Friendship Baptist Church, Joe T's Savory Meats, Landmark Missionary Baptist Church, Malibu Café, Southern Exposure Tanning Salon, The Garden Ministries, VDRA, Whole Hog Café). She also thanked Amanda Scroggins and Southern Exposure employee Maddie. We're averaging 34 people, and last Friday, we had 67. In December, we served 683 meals. Beene stated she'd been told by Hawks about moving funds around, redoing a budget. Mayor stated the city takes care of the building and the program is basically out the cost of employees and food. Matos suggested developing a nonprofit and operating the senior program without politician interference.

Mayor Preston Scroggin
18 Bise Drive, Vilonia, AR 72173

Mayor Scroggin,

I would like to first acknowledge the massive outpouring of support from the City of Vilonia, which culminated in a fundraiser this past Summer with food, games, and a silent auction. It was something you would only expect in a Disney movie set in the midcentury, and not something in 2025. It was amazing to hear about how your city came together to help one of their own carry an undue burden.

The numbers were staggering. Roughly 2,200 people attended, 1,600 meals served, thousands of dollars raised, tickets donated from a new car dealership, tickets, and a signed guitar. Not to mention local radio and TV news bringing awareness to the local market. My sister Lisa once reminded me that there is more to a Home than what is inside your house. I would only add that there is more to a city than a collection of buildings. It is, after all, the sense of community, a shared history, and an active sense of compassion we share with our neighbors. To all who contributed, attended, and organized, please accept our sincere gratitude.

Respectfully,

Shawn Adams
